Now successful mail order dealer confesses . . .

"At one time I couldn't sell \$10 bills at half price  
by mail". . . until I discovered

## "Mail Order Magic"

Actually "Mail Order Magic" discovered me . . . so to speak. A letter about it  
came in the mail a while back.

At first I thought it was just another so-called "Mail Order Guru" hawking his  
get rich in mail order deal.

Just as I was about to trash it, something made me decide to actually read his  
sales letter. The more I read . . . the more I was became convinced I should order his "Mail  
Order Magic" package. After all it came with a satisfaction or money back guarantee.

What I expected to get was the typical generalized crap about making money in  
mail order.

#### Surprise!

It was packed with 335 pages of precise "how-to" details and techniques the  
mail order guru had developed and successfully used over the past 46 years.

Stuff I never knew. Stuff I could actually use to help me finally make some  
money in mail order.

Long story short: The "Mail Order Magic" package literally took me by the  
hand and showed me how to go from spending money trying to make mail order money . . .  
to actually starting to make mail order money. More and more of it!

I'm so convinced the "Mail Order Magic" package can do the same for you . . .  
that I took advantage of the free dealership for it that was included as part of the package.  
So I could help good folks like you experience "Mail Order Magic" too!

I hope you won't make the mistake of trashing this letter and not sending for  
complete FREE details about the "Mail Order Magic" package. That could prove to be a  
tragic financial mistake.

Send for complete FREE 7 pages of details on how the "Mail Order Magic"  
can work like magic for you like it did for me. Just return this entire letter with 4 first class  
stamps for postage . . . and get it in the mail to me at the address below today.

Sincerely,  
Ned Johnson - MediaTek Associates
