Join Our System, Bring In Just "7" New Members
and Never Do Another Thing!
You'll Have All The Money You'll Ever Need...

Here's How It Works....

To the right, there is a list of "7" people. These are members that are on their way to becoming millionaires! **HOW**, you may ask? It's simple. As a member, you receive \$7 at each position, it is requested that you bring in at least 7 new members. As others join you and bring in their 7 new members and as you move down the list, you could earn over **\$6,000,000.00** once you are removed at position #7. Of course, that is with a perfect scenario. However, if you earned at least 10% (a very small percentage), you would still have over \$600,000. Now that's something to think about! Please note, the cash comes "**Directly To You!**" The monitor never sees or touches your funds, which are sent to you as gifts.

To Join, fill out the form below, make a copy for each one listed in the list and send them **\$7 in cash** or you can send a note that you have joined them in "C.A.S.H.E.R.S." With a full list of members, the cost is \$56, including the monitor's fee. Now I don't believe that's too much to pay to become a millionaire, do you? Of course not. Get started "**TODAY!**"

For your entry fee, you will receive a copy of this page with typesetting complete, instructions on how to make this work for you and a Helpful Hints Guide to make recruiting **EASY!** Also, you will receive a product, 60 high quality buyers names on peel & stick labels.
