"Mailorder needs a shot in the arm..." folks like you need to start making money so our country can get back to normal. So, I created **a giant mailorder stimulus** info pak stuffed with so much priceless information my wife insisted I should make a manual out of it and sell it for \$50.

Nope! Instead, this info pak is **FREE** to anyone willing to part with five dollars to help out with postage and printing.

Now... I won't mind at all if the information in this package encourages YOU to buy my books or try out my copywriting service. But, the real purpose of this is to stimulate business activity to the benefit of us all.

As long as I can afford these ads, here's my offer...

**"Send me five dollars to help out with postage and printing  
and I'll rush you my giant mailorder stimulus info pak."**

**Here's some of what you'll get... FREE...**
