WARNING!

Mailorder dealers jumping into cyberspace advertising "crash and burn" faster than the speed of light!

FACT: The internet hasn't killed mailorder . . . It's made it possible for YOU to make a killing in mailorder! Here's how:

As the internet began to grow, most of the top money earners abandoned mailorder for cyberspace. Sure . . . some of them made a fortune. But the internet flood soon became crowded. It's now harder than ever to break in let alone make any profit at all.

When all the mailorder gurus leapt into cyberspace, they left all their profitable opportunities behind . . . so they actually did us regular mailorder folks a big favor. That left direct response wide open for you and me. *All we have to do is grab the secret methods used by those gurus for years to make tons of money and start grabbing a great big piece of the direct response pie for you and me.*

I've dug deep to uncover all those gurus money making secret methods.

"I want to give you the top mail order success secrets **PRACTICALLY FREE!** Plus a **FREE DEALERSHIP** paying you automatic backend commissions. Here's why: It's simple, when you make money using the secrets, I make money too."

So, I created a giant mailorder stimulus info pak stuffed with all the priceless secrets. My wife insisted I should turn it into fancy manual and sell it for at least \$99. Nope! I want to see lots of folks succeed in mailorder, but I do need to cover my printing & handing costs up front and bank on back end sales to make my profits. So ... for you to grab these top mailorder success secrets practically free, all you do is drop \$10 (in cash, check, or stamps) into an envelope with a note requesting your "mailorder stimulus info pak."

Send it to:

MediaTek Associates, 340 Hickshollow Road
Kingsport, TN 37660

PS: This offer is limited. You no longer have to face the bitter disappointment of working so hard, renting lists, running ads, but never getting the "CASH" orders to show a profit. Hurry- send for your info pak while you still can.

Dear Profitable Home Biz Advertiser and Shore to Shore Readers

Here's Important News You Can Use!

Attention all readers: We provide news you may have missed and that you will not find in today's media. As a general rule the most successful people in life are those who have the best information.

This thirty-six page catalog will provide you with around two hundred different subject matters such as home, business, financial, health and natural health issues, miscellaneous articles, etc. This booklet contains information to help you gain financial freedom, use a report or referral you like, and make yourself extra income.

We investigate and test many opportunity offers extended to the public. Unfortunately, most of them are worthless. They may be very speculative and unproven, outdated, require excessive amount of expertise, lack a reasonable earnings potential or they may be outright frauds. The two most obvious home work frauds are envelope stuffing and home assembly. Legitimate firms generally only employ local workers, although at substandard wages in many cases. Companies that offer bona fide home employment opportunities with decent pay are usually looking for experts and professionals with advanced computer skills or other special experience.

We have compiled a selection of what we consider viable and realistic home business opportunities. However, we cannot guarantee success for anybody. You have to decide which offers are compatible with your personal skills and ambition. Our reports are solely designated to stimulate your entrepreneurial mind and offer profitable ideas and resources.

For your thirty-six page catalog and bonus gifts, send \$20 cash or money order to:

James Phillips
PO Box 1006
Albany, OR 97321

Send for this big 36 page catalog packed with about 200 different topics vital to your maintaining good health and achieving great wealth in today's turbulent times. I guarantee you won't regret it. Send for it right away and we'll toss in some special bonus gifts.

P.S. Please send a large self-addressed stamped envelope.

Thank you.

James Phillips
