

**Look ma, no feet! Getting there is half the fun with this iRide™ electric folding bike!**

**iRide**

The newest innovation in affordable, convenient, folding transportation... zip around town at up to 15 mph! For quick trips to the store, traveling between buildings on campus or getting to work, this pollution-free bike is the only way to go! Its peppy 250 watt motor and rechargeable battery let you cruise distances up to 18 miles per charge (may vary by terrain and amount of pedaling). 16" Kenda pneumatic tires, adjustable seat height (34"-37"), adjustable handle bar height, and a wealth of safety features including a headlight, horn, and a loop style center kickstand. AC charger included. Folds down to 31.25" x 13" x 23.25" for easily storing in your garage, closet or trunk. 250 maximum weight capacity. Tools included for assembly.

† CA buyers see order form for details.
